

## **Lawyers**

Lawyers are exposed to contentious situations daily. In this environment, firms with a claim history or disciplinary proceedings cannot afford to be without professional liability coverage any more than the next firm can.

Do you have an attorney or firm needing coverage so they can stay focused on their clients' legal needs? Looking for a stable, experienced market who has been insuring law firms continuously for more than thirty years? Contact your Markel underwriter for more information.

## Hard to Place Market

Markel provides coverage to law firms which can no longer secure coverage in the standard admitted markets due to their claims history, disciplinary proceedings, higher hazard practice areas, or for other reasons.

## **Coverages**

- Professional liability
- Disciplinary proceedings coverage
- Deductible credit for claims settled prior to litigation or at mediation
- Loss of earnings reimbursement
- "Individual Tail" coverage for retiring attorneys
- Extended reporting period options
- Coverage for claims arising from state bar-related activities

## **Target Classes**

- Firms that are being non-renewed due to claims history
- Firms that have been involved in disciplinary proceedings
- Firms involved in higher hazard practice areas including plaintiff, class actions, collections, real estate, and intellectual property
