Specialty Lines

Technology Errors & Omissions

AFB Media Tech[®]

Professional, technology, multimedia, privacy and network security liability coverage in a single form for a broad spectrum of companies in technology, media and business services.

Under a single integrated policy, the AFB Media Tech[®] form provides broad coverage for technology and business services companies, including:

Technology and Professional Liability

- Errors and omissions coverage is provided for both technology products and services
- Broad professional liability coverage is integrated into the policy, addressing the need to cover both technology and non-technology professional services

Computer and Network Liability Security

- Third party coverage in response to unauthorized access, theft of or destruction of data, identity theft, denial of service attacks and virus transmission involving insured's computer systems

Multimedia and Advertising Liability

- Coverage for companies involved in advertising their own products as well as companies in the media industry
- Coverage extends to enumerated personal injury torts and intellectual property offenses committed in the course of gathering and distributing media material

Additional key benefits include the following:

- Fully integrated errors and omissions, media and network security coverage
- Technology-based services broadly defined to include a wide range of technology and internet services
- Broad definition of professional services
- Unintentional breach of contract coverage for technology products, professional services and technology-based services
- Coverage for a wide range of trade secret misappropriation claims
- Multimedia coverage for online and offline media as well as advertising exposures
- Many additional enhancements available to address specific client needs

Target

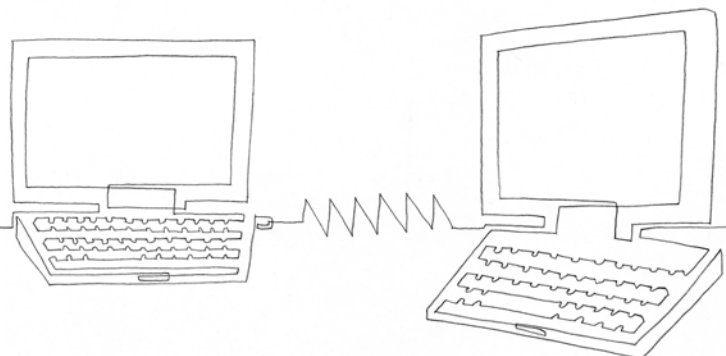

- Software companies
- Systems integrators
- Technology outsourcers
- Technology consulting
- Internet services
- Combined hardware/software and business services providers

Limits

Up to US \$20,000,000

Not all coverages or products described are available in all US jurisdictions. Some products are available on an admitted basis in some but not all US jurisdictions from Beazley's US insurance company subsidiary, while other products and coverages may be available in the US only on a surplus lines basis through licensed surplus lines brokers doing business with Beazley's Lloyd's of London syndicates.

The descriptions are for preliminary informational purposes only. Coverages will vary depending on individual state law requirements and may be unavailable in some states. The exact coverage afforded by the products described is subject to and governed by the terms and conditions of each policy issued. The publication and delivery of the information contained herein is not intended as a solicitation for the purchase of insurance on any US risk.
